

## **Information Technology Auditing Intern**

### **About A-LIGN**

A-LIGN is a world-class nationwide firm specializing in performing regulatory, compliance and security services. Our clients are located throughout the United States, Europe and Asia, and include a significant number of publicly traded and Fortune 1000 companies, as well as privately held organizations of all sizes.

A-LIGN has enhanced the work experience of our professionals by creating an environment that accentuates the greatest attributes of the largest professional services firms while maintaining a small-firm feel.

Some unique attributes of our firm include:

- A dedicated executive team that values each employee and rewards exceptional work.
- A global firm where employees have the opportunity to make an impact on the direction of the organization.
- A team of individuals who are passionate about their work and their clients.
- An opportunity to grow professionally in an environment that provides career advancement opportunities.
- Reputable clients that value the opinion of our professionals and provide a challenging and unique work experience.

### **About the Role**

This position will support audit staff performing duties to include detail testing, audit testing documentation, and miscellaneous administrative functions under the direction of A-LIGN management. The position will be 40 hours per week for the summer months but the work schedule will be flexible based on the candidate's academic schedule.

We are looking for someone that is interested in a career with A-LIGN. All applicants must have a growth-oriented mindset. A-LIGN's objective in offering this internship is to identify a highly motivated student that will accept a full-time offer of employment with A-LIGN upon graduation.

### **What we expect**

- Bachelor or Master of Science track in a related discipline such as Accounting, Accounting Information Systems (AIS), or Management Information Systems (MIS)
- The ideal candidate will have completed one Auditing class and one (AIS) class
- Minimum of 3.0 GPA with 3.5+ GPA highly preferred
- Involvement with Beta Alpha Psi or ISACA is a huge plus
- Desire to pursue continuing education concurrently with professional experience
- Have plans to pursue relevant certifications (i.e. CISA, CPA)
