

Penetration Testing Staff Consultant

About the Role

As a member of A-LIGN, you will perform penetration testing services for clients in a wide range of industries. You will be part of a dedicated pen testing team whose sole purpose is to test and improve the security of our clients' systems and data. This team utilizes a broad range of tools and is constantly evolving to discover new vulnerabilities and security weaknesses. This position will play a key role in A-LIGN's technical service offerings, vulnerability assessments and attack and penetration testing.

Responsibilities will include planning and executing penetration testing under the direction of a member of the management team. We're looking for the best and brightest to join our team. Only motivated individuals with a career-oriented mindset need apply!

Reports to: Managing Consultant

Pay Classification: Full Time, Exempt

Responsibilities

- Run vulnerability assessments.
- Navigation of the Kali System from the Command Line Only.
- Create, modify, move and write files and documents from the Command Line Only.
- Create and write bash scripts from the Command Line.
- Reimage both devices and virtual machines, with Kali Linux.

Minimum Qualifications

- Bachelor's Degree in Cyber Security, Management Information Systems, Computer Science or relevant equivalent experience
- Internship experience in performing network and application penetration tests preferred
- Currently holds Security+, highly preferred
- Familiarity with a text editor, nano, vi, etc.
- Knowledge with Nmap tool and flag options
- Solid Knowledge of Networking, creating SSH tunnels and listening for them on a receiving device.
- Ability to work in a fast-paced environment
- Ability to work individually as well as part of a team
- Ability to meet deadlines
- A high degree of motivation

What we can offer you

- Up to 10% out of town travel
- Our standard travel week is Monday – Thursday
- 15 days of vacation per year, with an increase to 20 days after your first year
- 6 month shadow period
