

JOB DESCRIPTION – Consultant

About A-LIGN:

A-LIGN is a full service security and compliance solutions firm with extensive experience in providing:

- PCI DSS Assessment Services
- FISMA Security Assessments
- ISO 27001 Certifications
- FedRAMP Security Assessments
- HIPAA and HITECH Services
- Penetration Testing and Vulnerability Assessments

A-LIGN is a QSAC, accredited ISO 27001 certification body and accredited FedRAMP 3PAO.

Our Values:

At A-LIGN, our Big Vision is to relentlessly exceed expectations through extraordinary people, innovative technology, and unwavering dedication to our people and the clients that we serve. Our unique values: be “all in,” commit to quality, innovate constantly and do the right thing, always, set us apart from those that simply strive to meet your expectations. We work where dedication and quality meet. We’re all in, are you?

About the Role:

A-LIGN employs a business model that builds on the best of what the largest security consulting firms have to offer, such as the ability to offer high quality professionals a variety of project experience with high profile clients. What sets us apart is the breadth of experience you can gain with A-LIGN. We also offer our employees virtual employment.

We offer a new hire training program that will last several months which will include a combination of classroom training and on-the-job shadowing. We will prepare you to be successful at A-LIGN!

Our Security Consultants’ responsibilities include standard project execution and client service activities. Client engagements typically last two weeks, which allows our employees the opportunity to work on varied projects over the course of the year and gain varied, valuable experience. Associates will gain experience performing ISO 27001, PCI-DSS, FISMA, HIPAA and FedRAMP security assessments.

We’re looking for the best and brightest to join our team. Only motivated individuals with a career-oriented mindset need apply!

What we expect

- Bachelor’s or Master’s Degree in related discipline (MIS, CIS, Cyber Security/Information security)
- Minimum of 3.0 GPA with 3.5+ GPA highly preferred
- Relevant internship with experience in IT Audit, Attestation/Advisory or active involvement with organizations related to Information Security or IT auditing including ISACA and ISSA
- Desire to pursue continuing education concurrently with professional experience

What we can offer you!

Do you enjoy a dynamic and exciting work environment? Our consultants enjoy some of the most rewarding work and best work/life balance in the industry!

Field Work:

- 50% out of town travel
- Our standard travel week is Monday – Thursday
- Work from home Fridays!

The perks:

- Virtual employment
- Competitive Salary with annual performance bonus
- 15 days of vacation per year with an increase to 20 days in year two
- Holidays paid and office closed from Christmas – New Years
- Employer paid life insurance and disability insurance
- Employer paid subsidized health, vision and dental insurance
- Technology allowance
- 401k plan with employer matching
- Vacation Bonus
