## FISMA/FedRAMP Senior Consultant

### ABOUT THE ROLE

A-LIGN employs a business model that builds on the best of what the largest corporate security firms have to offer, such as the ability to offer high quality professionals a variety of project experience with high profile clients. What sets us apart is that we have eliminated time reporting, chargeability goals, and sales pressure.

As a FISMA/FedRAMP Senior Consultant, your primary responsibilities will include standard project execution and client service activities. Senior consultants must have a high level of understanding of the NIST 800 controls and lifecycles of both FISMA and FedRAMP assessments.
